Neighborhood Collaboratives (listed under the Peer and Social Support Network: Neighborhood Centers)

Wraparound to families that are not involved with CFS or Juvenile Court.

Community Psychiatric Supportive Treatment (CPST)

Provides **wrap around services** in conjunction with psychiatric care, counseling or in-home services. Check with individual counseling and in-home providers to determine if this service is available and appropriate for your youth.

QUESTIONS TO ASK ASSIGNED WORKER

- Has the family's safety plan been created?
- What are the family's identified goals?
- What services will the family need to meet their goals?
- How long will you be involved with the family?

Ongoing questions:

- Is the family engaged in services? Do they meet with you regularly?
- Have you identified any barriers to the family's success?
- Will the family know who to contact in the future if needs arise?

Family and Living Arrangements

Page 6

SERVICE

Kinship Care

Kinship care is a temporary or permanent arrangement in which a relative (or non-relative adult who has a long-standing relationship or bond with the child and/or family) has taken over the full-time, substitute care of a child whose parents are unable or unwilling to do so.

Cognitive Behavioral Therapy

Cognitive behavioral therapy (CBT) is a psychotherapeutic approach: a talking therapy. CBT aims to solve problems concerning dysfunctional emotions, behaviors and cognitions through a goal-oriented, systematic procedure in the present. The program will address such things as criminogenic thoughts and attitudes and the behavior/consequence link.

- Date of the Intake appointment? What information should I bring?
- Will an assessment be completed and if so will I receive a copy?

Ongoing Questions

- Ask about progress on specific goals?
- How often and what tools will you use to evaluate and plan? What are the barriers and challenges that have come up in making lasting change?
- What services or supports can family be linked to support continued progress

Values, Attitudes and Beliefs

Page 1

SERVICE

Self-Awareness

These programs are designed to address maladaptive attitudes, values and beliefs by confronting such beliefs and replacing them with pro-social alternatives. Youth will gain sense of responsibility and reliance on self-control to handle situations. A variety of social skills are used to help improve ability to make and keep friends and to behave appropriately in the community.

SERVICE

Intervention/Prevention Programs

These programs are geared towards minimizing unconventional behaviors before they become criminal and/or addressing already apparent criminogenic behaviors. Intervention efforts include issues such as gang involvement and/or pressure, drug use/education, poor peer relations and strained family relationships.
