INSTRUCTIONS AND INFORMATION FOR WRITTEN REQUESTS FOR SERVICE

The Court cannot consider a complaint (a document that initiates a legal action) or a motion (written request), unless it has been "served" (sent to all persons related to the case). When a complaint has been filed, the Clerk's Office will send a summons (a document informing a defendant that a legal action has been filed against them) to all parties on the case.

If you are attempting to change or modify a court order, the motion you file must be "served" by the Clerk's Office, not by you. **You must instruct the Clerk to serve all parties (persons related to the case) by using the form on the next page titled "Instructions for Service."** You will find the types of service available listed below. **You must also provide the Clerk with a copy of the document (motion) that you wish to be served.** Upon your direction, the Clerk's Office will send a summons with the attached document (motion) to all the parties you wish to serve using the type of service you select. A sample instructional sheet is attached.

Unless service is quickly and properly executed in a timely fashion, the legal proceedings could be disrupted, delayed or even dismissed. To insure that all parties are properly served, you are charged with the responsibility of using all resources to obtain an accurate and complete address.

Some suggested resources to determine the mailing address of a party include but are not limited to the following:

Contact with known associates, relatives and friends, neighbors and employers as well as family records, internet locator services, professional investigators, public court records including domestic relations court, small claims, municipal and civil litigation records, criminal records, bureau of prisons, probate court records, public library archives, telephone and criss cross directories, U. S. Postal Service, federal court records, bankruptcy records.

The following are guidelines for determining the most appropriate type of service. You may want to consult your attorney or read Civil Rule 4 for guidance.

CERTIFIED MAIL - is mail that requires proof of receipt with a signature, and a complete and accurate address. If the certified mail is returned as refused or unclaimed the court will automatically send out ordinary mail to the same address. **Certified mail is a required method of service on all first time filings.**

ORDINARY MAIL – is mail that requires an accurate and complete address, but does not require a signature or proof of receipt. If the mail is unable to be delivered by the U.S. Postal Service, it will be returned and marked with the reason it could not be delivered.

PERSONAL SERVICE – requires the Process Server (person over the age of 18 years old, not a party to the case, and has been designated by Court order to deliver legal documents) to serve a copy of the summons, complaint, motion, etc. only to the name listed on the document. It is one of the quickest ways to obtain service for a hearing, as long as you are sure of the residential or employment address. It is helpful to indicate the times the individual is most likely to be present during the hours of 8:30 a.m. to 4:30 p.m. at the residential or employment address you provide. Fee is \$2 per subpoena.

RESIDENTIAL SERVICE - requires the Process Server to serve a copy of the summons, complaint, motion, etc. to the name listed on the document(s) or by leaving a copy of the document(s) to be served at the individual's usual place of residence, or with a person over the age of 18 that resides in the same residence. It is one of the quickest ways to obtain service for a hearing, as long as you are sure of the residential address. It is helpful to indicate the times the individual or person over the age is most likely to be present during the hours of 8:30 a.m. to 4:30 p.m. at the residential address you provide.

PUBLICATION - is only appropriate when all other resources are exhausted to identify a correct and deliverable address or all diligent attempts for service have failed. This process requires an additional cost of \$35 and completion of an affidavit of publication, in addition to the Instructions for Service form.

THIS SHEET IS INFORMATIVE ONLY AND SHOULD BE REMOVED PRIOR TO FILING. Revised: 9/7/17
